CONCERNED : 2013 EURO CUP CLIO

Dear Competitors,

We inform you that updated versions of the following documents are now available on the Renault Sport Extranet :

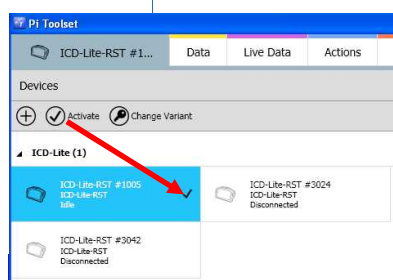

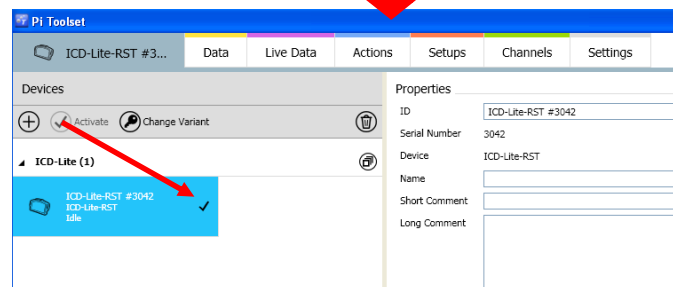

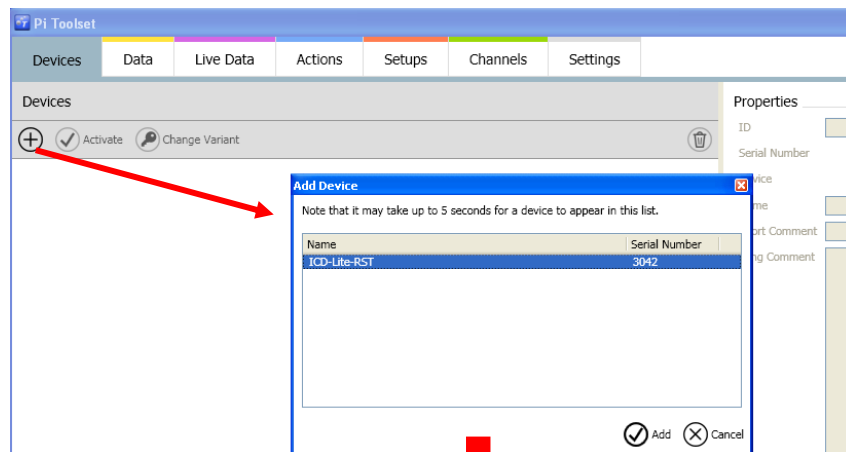

- 2013 Nomenclature (v4)
- Spare parts catalogue (release of July 8th) including all elements of the TB n°8 sent last week

You will also find in the area "Softwares" a complete list of circuits maps (including the 2013 EURO CUP ones) available in the zipped file : CIRCUITS.zip

We remind you that it's possible to upload a circuit map on you dashboard (xxx.bmp file) on driver page n°3 (refer to the User Manual chapter *B-Presentation and E-Softwares*) using TOOLSET v3.3 software.

Circuit Map change:

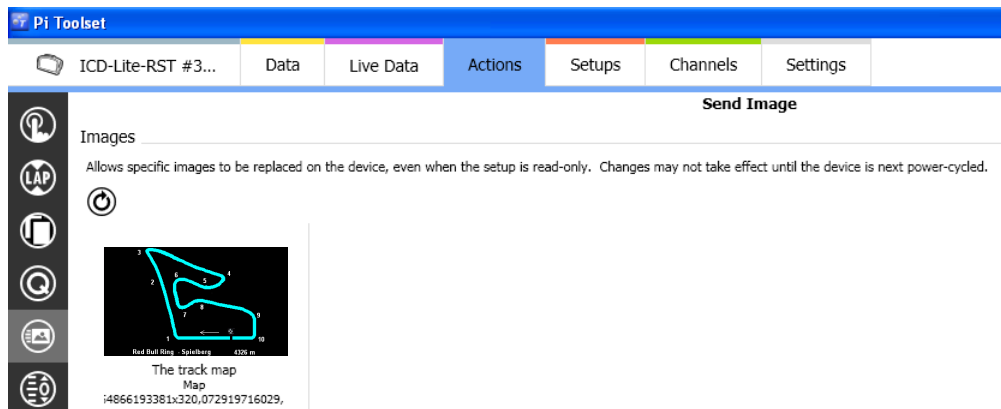

- Connect your computer to the right ICD (check that a "tick" is displayed) :

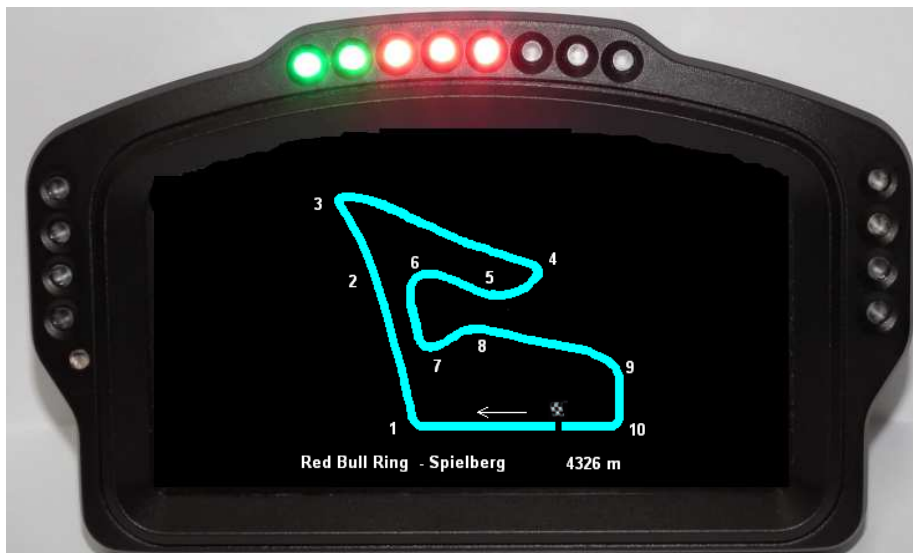

NOTE :
If several ICDs are already recorded, activate the right one

- On the top Menu, go to "Action" and then click on  to open the "send image" mode:
- Refresh the configuration by clicking on 
- Make a double Click on the circuit map (a browser opens)
- chose a circuit (Reb Bull Ring.bmp for example)
- The selected circuit appears on this page to confirm that it has correctly been uploaded

Dashboard Driver page n°3 for the Red Bull Ring will be the following one :

Renault Sport Technologies
Motorsport Dpt.
